CAREER OBJECTIVE

Aspiring to be a software developer in an esteemed organization that can employ skills in programming and debugging with emotional intelligence and I am passionate about learning emerging trends in technology.

EDUCATION

- 2019 – 2022 **Bachelor of Technology**
R.V.R & J.C College of Engineering, Guntur
Mechanical Engineering *CGPA: 7.8*
- 2016 – 2019 **Diploma**
Government Polytechnic College, Srikakulam
Mechanical Engineering *Percentage: 84.34*
- 2015 – 2016 **Board of Secondary Education, AP**
Sarada Vidya Niketan, Srikakulam *CGPA: 9.8*

PROJECTS

- Portfolio Static website**
 - On this website, I added my details and certification links, and contact information. I have created by using HTML5 for the basic structure, CSS3 for the styling and responsive web design and finally JavaScript for the functionality to make it responsive for the all kinds of devices.
- Websites cloned**
 - I have developed 2 replica static websites by taking reference of original sites i.e., Netflix and DCR - Partners using HTML5 & CSS3.
- Capstone Project**
 - I have developed a Colmar Academy project by using HTML5 for structure, and CSS3 for the styling, and I used media queries to help with different screen sizes.

CERTIFICATIONS

- TCS iON** Career Edge - Young Professional Certification.
- I completed **Programming using Java** course by Infosys Springboard.
- I have completed **Front End Web Development** an online course offered by Great Learning Academy.
- I have completed **Command Line and Git & GitHub** courses offered by Codecademy.
- Accenture** Developer Virtual Experience Program by **Forage**.
- I completed **Technical Support Fundamentals** an online course authorized by **Google** and offered through **Coursera**.
- Completion of Microsoft Excel and Google Sheets Certification by **Udemy**.

SKILLS

Core Java:

- Well-versed in Variables, Methods, Blocks and Controlling Statements.
- Good knowledge of using Constructors, Chaining, Overloading and Overriding concepts.
- Excellent knowledge in extends of one class properties from another class.
- Able to do providing security through setters and getters methods.
- Had good knowledge of Abstraction and interface concepts.
- Good knowledge of Arrays, Strings, Exception Handling, and Multi-Threading in Java.

JDBC:

- Good knowledge of JDBC API.
- Establishing connection with the database, Performing CRUD operations on the database.

Microsoft Office Skills:

- Good in MS Word, Excel & PowerPoint.

HTML, CSS & JavaScript:

- Good knowledge of HTML Tags.
- Well-versed in Attributes, Text, Images, Hyper-Links.
- Good in the Creation of HTML Tables and Forms.
- Well-versed in Embedded CSS, Inline, Internal, and External CSS.
- Hands-on experience with CSS Properties.
- Types of JavaScript Variables, Data Types, Operators, and Functions.
- Arrays methods, String methods, and Objects of JavaScript.

SQL:

- Good in RDMS concepts like datatypes, Constraints, Normalization, etc.
- Excellent knowledge of writing queries.
- Unforgettable SQL concepts like clauses, functions, grouping, subqueries, etc.
- Solid understanding of SQL joins.
- Good knowledge of DDL, DML, and TCL.
